

Ingenuity and Engineering from

Scaler Warranty

As of February 1st, 2010

The two-year parts and labor warranty is limited to the original purchaser of a new unit. When requesting service, the following information is needed by the Tony Riso Company. A retail sales receipt from Tony Riso Company or its dealer may be used to validate the sale date.

Units purchased from dealers must be returned to the dealer for warranty work. The unit must be shipped, freight prepaid, or delivered to the Tony Riso Company to render the services provided hereunder in either its original package, or a similar package affording an equal degree of protection. Warranty includes ground shipping and handling back to the customer.

The unit must not have been previously altered, repaired or serviced by anyone other than a service facility authorized by the Tony Riso Company. The unit must not have been subjected to accident, misuse, abuse, or operated contrary to the operating instructions. The handpiece assembly is not warranted if subjected to abuse from excessive pulling/stretching, debris and/or chemical accumulation from water supplies. The water system is not warranted by failure due to debris, and/or chemical deposits from water supplies. The foot switch is not warranted by failure due to operation or storage in a wet environment.

No other warranties whether expressed or implied, including warranties of merchantability and fitness for a particular purpose, shall apply to this equipment. Damages are limited strictly to repair or replacement of parts. Under no circumstances shall the Tony Riso Company be liable for incidental or consequential damages resulting from the use of the equipment. Tony Riso Company neither assumes nor authorizes any representative or other person to assume for it any obligation for liability other than such as is expressly set forth herein.
